.: ABOUT NXO

- An all purpose nesting chair that nests and stacks for convenient storage.
- The versatility of this extremely comfortable chair is ideal for meeting, training rooms, touch down areas or long days of learning.
- A supportive dual hexagonal torsion bar system with preset tension allows the back to move to the weight and pressure exerted by the user.
- This unique reclining motion of the back provides the user with exceptional ergonomic support and comfort.
- The perforated nylon back enhances airflow and helps to keep the user cool and comfortable.
- Folding seat allows the chair to nest horizontally providing a smart storage solution or it can be vertically stacked 3 high.
- Energy absorbing dual ENERSORB™ seat foam conforms to your body and disperses your weight ergonomically to improve blood circulation and help relieve pressure points.
- Polished aluminum base option available.
- ANSI / BIFMA.
