[VERONNA 7000]

.: ABOUT VERONNA

- It offers a smooth ride. Synchronous swivel-tilt mechanism with multi-position tilt-lock, pneumatic height adjustment, and tension control.
- Built-in integral seat slider, 2½" adjustable seat depth. This adjustment allows the user to find the perfect seat depth depending on the height and size of the user.
- Trigger activated height adjustable arms with arm pads that pivot forward and backwards, inside and outside. The extremely adjustable arms allow the user to find a comfortable position that provides the necessary ergonomic support for the arms, shoulders and neck.
- Optional height adjustable headrest.
- Lumbar adjustment with a 3" travel for more space if needed.
- Waterfall seat that helps to reduce pressure on the thighs, legs and lower back.
- ENERSORB™ foam seat for comfort and support.
- High density foam back for comfort and durability.
- Partially upholstered outer back for design aesthetics.
- Polished aluminum base and chrome plated back support.
- Chrome gas lift.
- 2" casters.
- ANSI / BIFMA.
