INTELLIGENT DESIGN

RESPONSIVE ELASTIC MESH

Translucent ABLEX™ patterned weave mesh back provides generous lumbar support while allowing dynamic back movement. Air flows freely through this breathable mesh for added comfort in any environment.

FIXED ARMS

Comfortable soft arms. Dimensional height of arms designed to fit smartly under all standard height conference and meeting room tables.

WATERFALL SEAT DESIGN

Contoured seat foam incorporates a waterfall design that gently slopes away from the legs, minimizing pressure on the thighs, promoting good posture and reducing sitting fatigue.

EXTREME COMFORT

Seat consists of a thin ultra-comfortable foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort.

>> intelligent design

The MXO meeting/conference chair was consciously designed without adjustments except for pneumatic height adjustment. In addition, the uniform clean aesthetic MXO was designed for the conference room environment. Say goodbye to messy, unorganized meeting rooms, say hello to MXO and clean distinguished conference rooms!

“Harmonic balance between good design, ergonomic performance and ultimate sitting comfort has always been my goal.”

NOTE: Due to variances in dye lots and offset printing, Nightingale does not guarantee that the colors shown will be a perfect match to actual colors. All items shown are available at the time of this printing. You will be notified by Nightingale should your desired chair model and/or option not be available at the time of your order.

>> Warranties

Under the Nightingale Corp. warranty, all claims must be made within the time period specified. Nightingale Corp. offers a Lifetime Limited Warranty, unless otherwise specified, from the date of purchase by original purchaser, on all non-moving metal components. Nightingale Corp. also warrants that self-skinned urethane parts, plastic shells, casters, wood parts and mechanisms will carry a (5) five year warranty. Upholsteries will carry a (2) two year warranty. Pneumatic cylinders will carry a (10) ten year warranty.

>> General Warranty

This warranty does not apply to damage caused by accident, abuse, negligence, abnormal use or use with extreme climatic conditions. Due to the inherent nature of certain materials used, all furniture containing wood, fabric or leather is subject to minor variations or irregularities of color, grain and texture. Normal use is defined as a maximum of eight (8) hours a day, five (5) days per week. Normal climatic condition is defined as the temperature and moisture content range for human comfort and health. Compliance with applicable laws, regulation codes, certificates and manufacturing standards are disclaimed if this product is misused, improperly installed or modified in any respect (including without limitation, any change in fabric or mechanical components affecting stability, load capacity or load distribution) after shipment from the manufacturer.
